## DEMONSTRATORS

### Randy McDaniel

Randy McDaniel has been forging for over 45 years and his career began at the Carroll County Farm Museum. He authored and illustrated two books, Blacksmithing Primer and Hydraulic Forging Press for the Blacksmith and is working on a third. In addition to his work in steel and iron, Randy also works in copper, bronze, and titanium. He currently operates ExPRESSive Metals, hot forging press work out of Berkley Springs, WV.

### Ken Schwarz

Ken Schwarz also started his blacksmithing journey at the Carroll County Farm Museum. He is now a master blacksmith and senior master of historic trades in the Colonial Williamsburg James Anderson Blacksmith Shop where he and his team fashion all the steel and iron parts for the entire town.
